

Presentation Guidelines and Slides Preparation

Request to read each point carefully

1. One of the authors must present the paper during the conference. **The mode of MIET 2026 is hybrid.**
2. Authors should prepare PowerPoint presentations. But naming convention is very important. The file names must have the following name conventions. File names for PowerPoint slides: **Paper ID_Presenter Full Name.pptx**
3. All authors need to stay in the presentation room/online till the end of the session. We will distribute/present certificates to the authors at the end of the corresponding session.
4. Time allocation for each paper is 15 minutes (10 minutes for presentation and 5 minutes for question answering). Authors should strictly adhere to the presentation time frame.
